ASHLEIGH, AXA & SATINE

A proud, independent race, ever striving to outdo their natural superiors – no, not the Scots – women! Scots are just a slightly drunker breed of English. None of these girls are Scottish but all want our ginger cousins to stay in an even closer union – using finger-fucking and titting up as a metaphor for cross-border friendship.

NAME: SHARLYN
LOCATION: BAKEWELL
CONTACT NO: SHA044

Sharlyn

Bored MILFy housewife Sharlyn has hardly got her husband out the door before she's forgoing breakfast, getting her knickers round her ankles and strumming away on her clit like Jimmy Page. "He's so boring. He never wants to fuck me, so I have to do it myself. And I have a couple of lads who come round on Wednesdays!"

**"FUCK MY
FURRY HOLE!"**

1 Gummy Cuffs

Combining food and sex is always a winner in my book. So there were no complaints at 'having' to try out a novelty pair of yummy-gummy handcuffs. They simply stretch over your wrists (unless you have really fat hands, in which case you're most likely going to scoff these on your own anyway. Bitchy, moi?). No keys needed, just a lot of licking and nibbling. Available from www.sextoys.co.uk, £2.95

2 Honk If You're Horny

A silly horn to irritate the hell out of your fuck buddy. The only upside is that it may end up being shoved where the sun don't shine and that could be quite nice and well worth the £4 alone. Available from www.sextoys.co.uk, £3.95

3 Pure Strawberry Vibe

Yay, summer is here and at the time of typing this the sun (that big bright yellow thing that lives behind grey skies) is actually shining. So out come the summer deckchairs, dresses and dildos. This strawberry vibrator is pure sunshine and you can't help but smile and cum with this little gem. Made from pure silicone, the teardrop raised 'seeds' give it a little extra kick. Measuring seven inches and 100% waterproof, it's a joy to use. Available from www.sextoys.co.uk, £17.95

4 Fetish Fantasy Swing 30.6

I love a good swing I do. In the park, down my local sex club and now in my own garage. It is so much fun I have not done much else this week and will be getting right back in my saddle the second I get back home. With so many positions to try, you'll need an industrial-sized box of rubbers – not to mention a long line of lovers too! It can support up to 400lbs in weight and if you don't want to start drilling in your ceiling you can buy a frame. Uberkinky offer really good aftersales and advice, so if you're not sure which swing is best for you, get in touch with them today.

Available from www.uberkinky.co.uk, £89.99

5 Tower of Power Penis Rings

After exhausting all my lovers on the sex swing, I ended up slipping a couple of these over one of my dildos for a test run. They look like they will be too small, but they stretch out and feel really good. I tried them all two at a time and the little yellow starred one coupled with the blue had me spilling my juices very nicely indeed. Definitely a good deal as you get all six for just under a tenner.

Available from www.passion8.com, £9.99

BREAK-UP SEX

My break-up with my ex was a bit messy, but his sister Nadine didn't blame me for it when I bumped into her a few months later. In fact, she said he was a twat for dumping me, as I'd been so good for him. I didn't really want to talk about him, but I agreed to grab a glass or two of wine with her.

We'd always got on pretty well, so it was nice to chat. The only weird thing was that I started to notice how much she looked like him. It wasn't like she was butch, just that they had the same blondish hair and pale blue eyes. Enough to trigger a reaction in me, anyway – I felt my pussy start to moisten, though her tits, braless under her blue T-shirt, may have had something to do with it too!

She said we should meet up again – I asked was she free that night, and we ended up taking more wine back to my place. The more we drank, the more I wanted her and, a couple of big glasses later, we were just pissed enough for me to make a move and for her to respond.

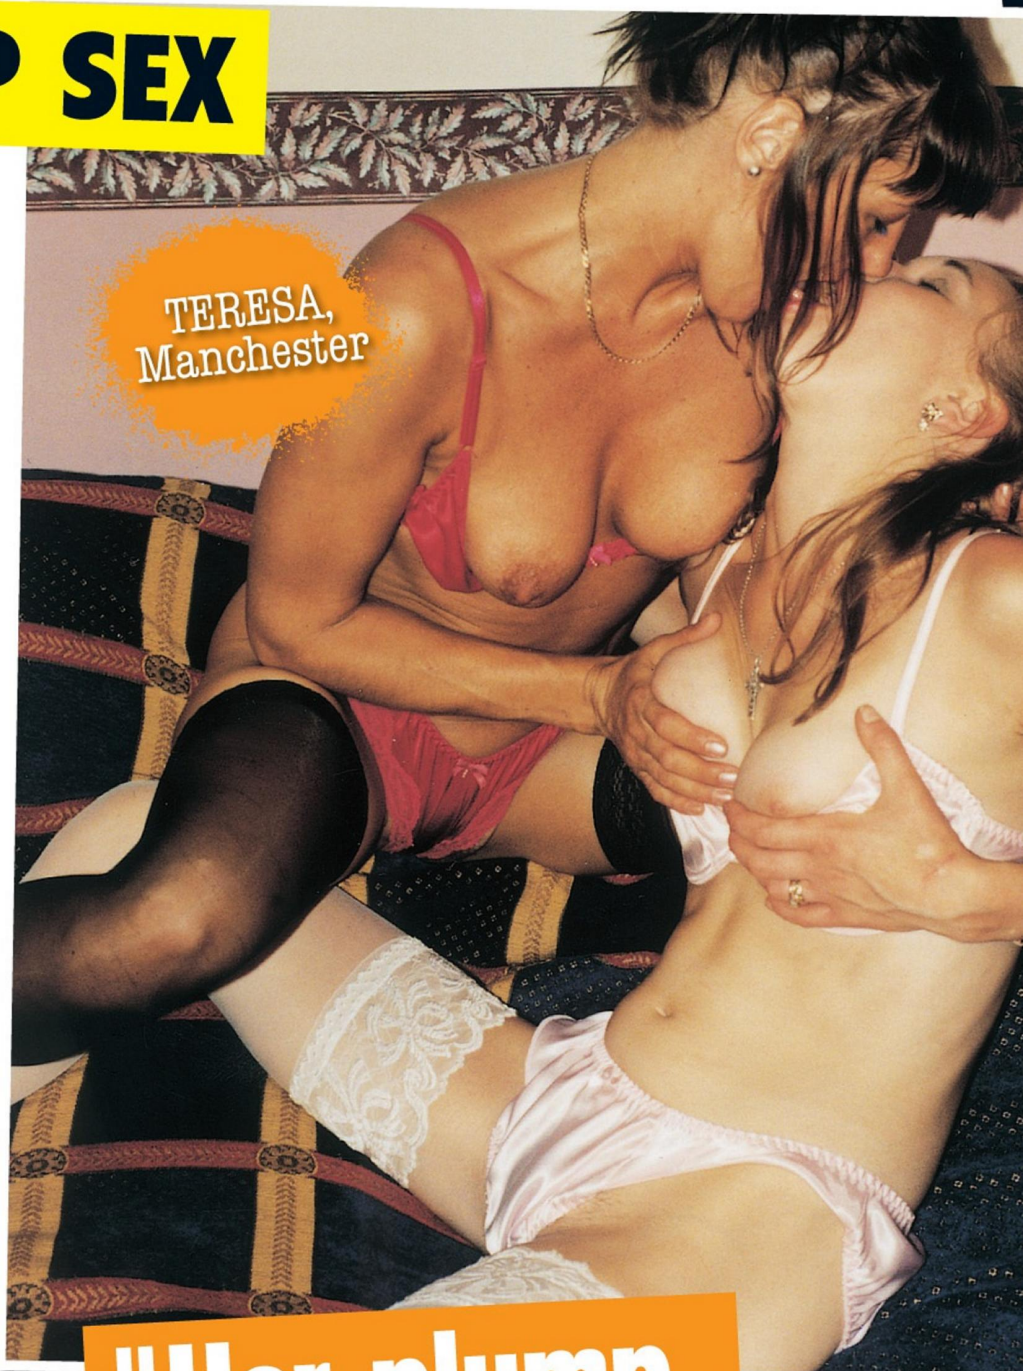

"This may seem fucking weird, but..." I started, cut off as her lips touched mine and our tongues penetrated each other's mouth. It was gentle if intimate at first, but got more passionate and we moved it to the bedroom.

I grabbed her boobs and started to thumb them, so she let out little cries. Then her hand sneaked in between my legs and it was me who was moaning.

She had a miniskirt on, and plain cotton panties underneath it, hot and soaked through with her juices. I was rubbing her through them, moulding the material to her folds, cupping her slit through them and squeezing.

Now I hitched up her skirt and put my hand inside them. I'd never actually done more than snog another girl for a laugh, but I just did to her what I liked myself, and she was so sexual anyway, it was hard to get it wrong.

I dipped my fingers in her hole, probing it before pulling them out again and

**"Her plump,
edible fanny
juiced at a touch"**

searching out her clit. It felt different to mine, bigger, and I kissed her again – kept on until she had to pull her mouth off mine, gasping into my shoulder.

Her brother had usually left the noisy sex to me, but Nadine was a screamer. When she started cumming, the moans came louder, and her body was shaking on the bed, her knuckles white as she gripped my wrist, making sure I wasn't going to move my hand away one second before she'd cum harder than she ever had before.

Next, she moved my fingers back off her clit and onto her hole – it was running a river. She held my hand up to my face for me to see, but when I tried to lick her juices off it, she trailed it down.

I licked them off her body, following the slick line until my face was in between her thighs, but I'd only taken a few little licks before she told me to sit on her face too.

I moved into position, spreading my fanny over her mouth and sighing with pleasure as her tongue started fucking in and out of it. Her fingers were on my clit and, as I started cumming, I felt her shiver with release too.

We ate each other to multiple orgasms, then met at the head of the bed for another snog and to lick the juices off each other's mouths and chins.

We're not seeing each other seriously – I think that might be too freaky, for us as well as friends and family! But we're basically girls who meet up for a laugh and a piss-up, then have fun exploring our lezzie side! We've made a bit of a pact never to mention her brother. Obviously we slip up now and again, like when she told me he'd started seeing someone else.

"Poor cow!" I said about the girl, and Nadine saw the funny side. It may sound like I'm bitter – I'm really not, though. I'll find myself another bloke I'm better suited to in time. For now, though, I've got this gorgeous woman with her bouncy little tits and a plump, edible fanny that juices at the touch of her big, fleshy button. And that'll do me fine.

Teresa, Manchester.

GREEK VADGEDY

I'd always dated girls my age or younger, but Charmaine – the wife of a bloke I worked for – just got me by the bollocks! They lived on a Greek islands, expat Brits running a bar, and although she was a good 10 years older than me, she was sexy as hell. Probably mutton dressed as lamb, if I'm being mean, but with the right fuck-you attitude to carry it off.

On this particular night, the boss had a right go at me over something really trivial. Char told me not to worry, and said it was just him being a prick. At the end of my

shift, she called me over and gave me a rise – as in pay rise! – "for putting up with him". I bantered with her, saying I'd have settled for a shag, so she offered me one of those, too!

"Right here and now," I said, and slid my hand up her skirt and in her knickers. She started fucking against my fingers, and so I went harder. There wasn't much chance of the old man walking in on us, but the slight possibility added a bit of sauce!

I had her up on the bar, legs open, with my face between them. She grabbed a bottle of ouzo and dripped it over her clit

CHARMAINE,

READERS' LIVES

and cunt, giving them, and my tongue, a warm tingle. Then I pulled her onto me and got my dick inside her.

It wasn't the tightest pussy I've fucked, but she was well into it, slapping her crotch against mine as I humped in. She wasn't a big woman but I couldn't hold her for long, and so we switched position – she leaned up against the bar and I fucked her snatch from behind, groping her tits.

She started moaning – not in the horny way, but going on about her husband and what a useless fuck he was. If she was lucky, she'd get a missionary fuck once a week, which was why she had to "comfort herself" with younger studs. Waiters, barmen – any bloke willing and able to stick a hard prick in her.

At your service, love, I thought. Then she went off on one about what a boring fuck he was, how he only fucked her, never went down or tried anything else...

I knew what she was spoiling for – I pulled out of her wet cunt, wiped my bell-end up against the pucker of her arsehole. She let out a moan which I took as an invite to push in.

She took me easy, obviously experienced in anal, but still felt tight around my shaft. Her tits were like some kind of console – twist, pinch or rub her nipples and she'd start squirming like she was under my command.

She called me a filthy little bastard, asked where I'd learned to shag a woman like this. I didn't answer her, just walked the fingers of one hand down her belly and to her slit, two disappearing into her cunt and my thumb working on her clit. Don't ask me how her howling didn't wake her old man, but I think I'd have begged him to let me cum before he punched my lights out!

Well, there were no interruptions. Char just kept on cumming, and soon I was giving her both barrels up her arsehole.

She didn't hang around, just whacked an extra ten euros on top of my pay rise, and said she was off to make her husband "do his duty". See if he noticed that her arse was sodden with another bloke's spunk as she rode him.

I have to admit I sort of fell for Char – even though she had so many years on me, she'd have fucking exhausted me within a month. We had a few more filthy encounters before I moved back to the UK, but I think she quite enjoyed spreading her favours to as many willing dicks as she could find!

Leonard, Luton.

JOELY,
Norfolk

SWING BOTH WAYS

When I first met Joely at a Halloween party last year, I thought she was in goth fancy dress. Turns out not – she was the real thing! But I was in lust – the platinum hair, PVC corset, black fishnets and knee-high strappy boots had something to do with that. And she was just drunk enough to be up for some fun.

It was a bit awkward the next morning – she wasn't sure a beery footie fan like me would fit in with her crowd. And I couldn't quite see her pitchside in her pointy boots and three tons of eyeliner. But we'd both had a good time so we decided to keep meeting up on the sly – just a casual shagging thing.

One day, when I called round I was surprised to see one of her mates there – a girl called Lola. She was a full-on goth, too – burgundy hair and a pierced lip. And it turned out they were more than just friends.

It didn't surprise me that Joely swung both ways – nothing "weirdos" like her did surprised me! But Lola'd noticed Joely was looking "fuck-happy" and had wanted to know who was putting the big, dirty grin on her face. I think maybe she was hoping to freak me out, but it didn't work.

While we were chatting, swigging from a bottle of red wine, Lola was all over Joely, until Joely told her to stop fucking about and get on with it. Soon Lola was down to a pair of red and black hooped hold-up stockings, while Joely was in her corset and boots, tits and fanny on show.

Lola kept trying to kiss Joely, who said not to mess up her bright-red lipstick. Then as her friend moved her mouth down to her other lips, she beckoned me over. I had to strip, then she took my prick into her mouth, smearing that with lippie and leaving her mouth in a right state.

I'd have been happy just to get my dick sucked as I watched the two of them sixty-nine, but Joely was holding Lola's cunt open, saying it was long overdue some decent cock. "Cheers!" said Lola, then squealed as Joely fingered her.

"She's too strange to set a date on her own," said Joely, "so I have to pimp out my bokes." Lola went to protest, but Joely said, "Did I TELL you to stop sucking?"

Joely rubbed and slapped my dick against Lola's labia, finally skimming it along her slit. Then she guided it into her friend's hole, grabbing my balls so she could control me as I thrust. That lasted about a minute, then she let me go,

spanking my arse so I'd go at it harder!

Lola wasn't as curvy as Joely, but her twat felt so good around my prick, just ultra-tight. But only Joely really had me by the balls – for real and in my mind, too. Good though Lola's snatch felt as it spasmed around my shaft, I still felt like I was miles from cumming.

Then I caught Joely's eye and that was that. My nuts instantly seized up and a few seconds later I started emptying them deep inside Lola, as Joely frantically frigged her to a massive orgasm.

She came off again as Joely licked the spunk from her hole, frigging her all the while – the show was for everyone's benefit, as Joely said she wanted my cock hard ASAP. Not a big ask under the circumstances!

Lola started playing with it, but there was something offish about her attitude to me, like I was just a fuck toy. As she

proved when she just stopped mid-wank as Joely lay down on the bed, kissing her then straddling her tits, riding on them as they giggled.

Once they were wet she said she wanted to see me fuck them too, to wrap them round my dick. There may have been a bit of boob-envy going on, Lola's little pair were cute enough but way smaller than Joely's bouncy orbs.

I stuck it in Joely's cleavage, then banged hard in and out, not even giving her the chance of a little suck before I spunked between them. Then Lola moved in and just rubbed her face in the goo, smearing all her make-up.

I don't think I'll ever get into goth – I hate the music and I wouldn't be seen dead in "guyliner"! But I have to admit those two are the greatest fucks I've had in my life so far...

Gary, Suffolk.

PAIN IN THE ARSE

When my mate Kathi is on form, she's a good laugh, but she can be a pain in the arse at times. She's always got to be the centre of attention, and acts like she knows it all.

She finally learned her lesson a few weeks back – well, I think she did. She'd called round to the flat I share with my bloke, Ben, like she often does before we go clubbing.

I was wearing this little PVC shorts and bra-top set, and the way she went on you'd swear she'd invented kinky. She spouted off about all the fetish clubs she'd been to and how the stuff I'd got wasn't great quality.

Ben just about tolerates Kathi, but this time he snapped. He said that he didn't give a shit what she thought about anything. Even that, didn't shut her up, so he told her that all the clubs she'd named were full of posers, and we were into the real deal. "Serious?" she said. He nodded and pulled me over his lap. The shorts were tougher than they looked, so they had to be yanked down, then he tore a massive hole in the body-stockings I had on under them, right over my arse.

Kathi looked like she'd been hit in the face with a shovel, just totally shocked. I'd probably have laughed, except Ben had never gone this far with me aside from in private before. He started rubbing my bum cheeks, telling me he wanted to fuck tonight and that I'd better not be thinking seriously about going out, when I should be satisfying his cock. I told him I couldn't let my mate down – he was shaking underneath me, trying really hard not to laugh. Anyway, I added, he wasn't the boss of me.

"That's not what you said the other night," he told me, and slapped me on each cheek. It stung a bit, but he stroked and patted them, calming things down, before spanking me again. He made me count the spansks and thank him for them, and got me to promise he'd get his dick sucked the second I walked in through the door back from the club. Then I had to thank him for allowing me to go out.

All through this I couldn't look at Kathi – I'd have wet myself. And when I did glance at her, she was doing her goldfish face – gob still flapping, but silently now. The truth was, Ben and I do role play now

"She wanted my
cock hard ASAP"

READERS' LIVES

and again, including bondage and a bit of spanking, although it was usually me smacking him! The thing was, Kathi wasn't shocked, she was fascinated. She told me the sight of me getting spanked got her right in the pussy. I didn't think anything of it – she wasn't his type anyway. She

enjoying it, and he groaned as she deep-throated him.

He told her to keep sucking and get on all fours – and took a couple of slaps at her arse just for the fun of it. Her bum's quite big but gorgeous, and I loved how it rippled when he slapped it.

ALEISHA,
Stockport

was crashing at mine that night – pretty normal for us after clubbing. Usually, Ben's at a mate's place or already in bed when we get in, but now he was up watching TV.

"So, am I getting sucked off?" he asked me. "Yeah, Kathi's gonna do it," I said, knowing he'd call a halt if he didn't like the idea.

"If a mouthful of cock will shut her up for five minutes," he said.

Kathi obeyed. Ben told me to fetch some sex toys, and when I got back, Kathi was slurping away on his length. I told him he was allowed to look like he was

Then he told me to lick her out, and I got going with a vibrator on her clit. Any time she sounded like she might be close to cumming, though, I had to stop – as frustrating for me as it was for her!

Just as I started getting right into it again, he called me over and had me unzip my shorts. He had a dildo in his

hand and I thought he was going to fuck me with it. But he put it through the fly of the shorts and zipped me back up. It wasn't quite as good as strap-on harness, but as long as I held the base, it would do. So that's how I ended up dildo-fucking my friend as she gobbled my fella's spunk!

He wanted us to kiss and swap his jizz from mouth to mouth, but Kathi said we couldn't, as she'd swallowed it. So he put her over his knee – taking the dildo back from me to jam in her cunt – and gave her a spanking.

It was one serious night – Ben had his fun shagging the arse off us both, often switching between us with his cock and a toy. Both our arses were glowing red by the time the spankings were over. Best of all was when he had us scissoring our cunts while he straddled my face so I could suck on his balls.

And every time Kathi started to mouth off without permission, he'd make her suck on something, either his dick, a nipple or a dildo.

He was the first to flake out though, after spunking on our tits. Even the sight of us bumping them together and pulling back to see the sticky white threads couldn't help him to keep his eyes open. Kathi reckoned we should get back at him for being such a "control freak", but in Ben's absence I took her over my knee with a juice-wet dildo in her mouth, walloping her arse cheeks for her rudeness before fingering her until she came again. When she started acting like a submissive, I'd stop dishing out the domination!

I knew right then, though, that she'd just

**"I took her over
my knee with a
juice-wet dildo"**

keep coming back for more. It isn't like she's got a thing for Ben – they couldn't stand it if they had to spend more than a few hours together. But if he's in when we get back from a night of clubbing, she'll give him lip until he "punishes" her for it, with his palm, his dick – or usually both!

Aleisha, Stockport.

SURGICAL SPIRIT

My girlfriend Tish knows her way around a pussy – as you'd expect because, as well as being a dyke, she's a practice nurse for a GP! One time I called for her at the surgery, on the way out to see our friends. And when I saw the examination table in her office, I said we could try a bit of role play sometime.

She looked shocked – obviously she's got to be professional at work. But I

Then she dipped two fingers in the lube and started probing my arsehole too.

I took over playing with my clit – my free hand over my mouth so I didn't scream too loud, and it was like my moans went through my body instead, making me shudder all over as I came.

Now she got right into it, telling me I'd have to bend over the table so she could check me from another angle. She wheeled her chair over to me and sat

her finger, so I was almost sobbing with pleasure.

"You're still orgasming fine," she said in her medic's voice, as I started cumming.

A few minutes later, the reception phone rang. Nobody was likely to walk in on us – we were alone in the building, with the door locked – but it shook Tish up a bit. I knew the only thing that would calm her down was cumming, so I laid her on her own table and started licking her out.

She groaned and started to finger her clit, so I sucked it into my mouth, lashing it with my tongue. She began to pump her hips, fucking against my mouth, but I kept

wasn't letting go of the idea! One night a few weeks later, I called by after hours when I knew she'd be there catching up on paperwork. I said I had an ache in my pussy and could she take a look? She gave me a massive talking to, saying she'd probably get sacked, or worse, if we got caught. I totally ignored this and said, "I'll just take off my knickers, shall I?"

She sighed, then snapped a latex glove on, squirting a load of lube over it. She sort of went into work mode, on autopilot, like she was seriously looking for something wrong. Then she winked at me and started fingering my hole. She fucked it hard, her other gloved hand playing over my clit, the rubber adding to the friction.

behind me, spreading my legs a little, then splaying my cheeks so she could tongue my cunt again and get me wetter.

She said my pussy was shrinking and tightening through lack of use – yeah, right! – and she'd need to perform an emergency procedure. Then she rummaged in a drawer and took a vibrator out of there. I still don't know why she kept one there, I was just glad that she did.

She started fucking my cunt, fingers still playing on my clit. Then she switched over, jamming three of them in my hole as she turned the vibrator on. Somehow she managed to squeeze my most sensitive spots in between the tip of the toy and

going, managing to sneak a finger into her pussy. She'd showed me how to find her G-spot, which I knew would finish her off.

Almost instantly she started cumming around my rigid digits, and I felt a spurt of juices. It wasn't the first time I'd seen her spray voluminous amounts of pussy lager, but it didn't happen often.

After a night of fucking in our bed, she decided to call in sick. She reckoned if she went into her office so soon after, her mind would wander and she'd end up doing something inappropriate with a patient! I reckoned that was just an excuse to stay at home with me, but I wasn't complaining...

Head 2 Head

THE APHRODISIACS CHRISTMAS PARTY

Office parties are the theme at this club, so photocopying bums and snogging in storerooms are scheduled – just without the fear of getting sacked, says Dirty Trix

As a Facebook addict I'm pretty well versed in finding 'exciting' events with which to indulge my naughtier side – and when I saw the flyer for The Aphrodisiacs Christmas party things certainly looked promising. A peek at pics of previous Aphrodisiacs nights was enough to persuade another four of my single girlfriends this was definitely somewhere we should check out.

The party was office-themed. Much as I love any opportunity to get dressed up, I didn't want to wear my regular 'office' get-up and I'm far too vain to wear my glasses even though it would have perhaps added to a sexy secretary look. So, I ignored the theme.

With gigantic red fairy wings and a tutu to match, the look I was going for seemed like an exciting Christmassy alternative to my usual PVC catsuits, if a little on the submissive-looking side. Unfortunately, although my naughty fetish fairy ensemble looked impressive, I found it difficult to get the wings past door frames. Not a good look when you want to strut around looking seductive in a tutu. So the wings were ditched and we headed for the party.

As I tentatively tottered up the driveway of the venue, Beauberry House, my heart started pounding and my pussy started moistening at the sight of other party goers – albeit looking relatively normal dressed in suits and ties. This was it. I was going to a sex party.

Once inside we were greeted by the host, the delectable Kat Feline, who, to my relief, given I'd gone against the theme, was dressed in just nipple tassels and knickers.

After our introductions we were given a choice of three coloured ribbons – blue standing for 'not tonight', white for those 'up for persuasion' and red for those

'game for just about anything'. I opted to sit on the fence with a white ribbon. Well, I may be wild but I'm not easy...

Beauberry House is an amazing venue and a quick sweep through the four rooms revealed it was fit to burst with half-naked women in an array of corsets, body paint and stockings. Most of the

men were dressed more conservatively, though a few of the more adventurous ones had accessorised with top

hats and a bit of tinsel. I was impressed with a couple of the fellas who'd really made an effort though – one man dressed as a paper turkey and a disturbingly large muscle-bound fellow in a pink fluffy chemise and unfortunately unmatching trainers. As an expert in foot massage he tended to the needs of my friends quite willingly as they settled in, sipping wine and chatting happily to the other guests.

Leaving my girls to fight off the approaching males in the bar area I found myself in the main room to witness Marawa the Amazing.

And amazing she was.

Keeping 14 hula hoops going in time to music is no easy feat.

I wandered upstairs where I was asked by the secretary at reception if I was from the welfare

**"He drove
his hard cock in
her wanton slit!"**

remarked with a grin.

"Lots of practice, Sir," I retorted with a bat of my ridiculously long fake lashes.

I was glowing from the praise, but pride comes before a fall. Minutes later, I faced my most mortifying experience of the evening, if not the year. Fresh from the ruler, I manoeuvred

department. Nodding, I sat down in the waiting room only to see one of my friends bent over the boss's desk, getting a good thrashing with an enormous ruler. Her arse cheeks were red raw and her pussy was glistening with juices. Now, I'm quite partial to a bit of bondage but I like to be in the driving seat.

As I waited patiently for my turn I was approached by the famous Mistress Diva, given the once-over and asked directly whether or not I would be up for some bi-curious action later. I smiled sweetly – never say never and all that. Who knew what the night could hold?

myself with difficulty onto the office photocopier with strict instructions to yank my hot pants up my crack while the office secretary pressed the button. At this point, the machine let out a desperate death rattle and died.

"Quick, get off!" they all shouted and so I went arse over tit onto the floor, at which point the copier regained its life and spat out a picture of my arse into the tray. Thankfully, it wasn't marred by my abundance of juices and I had the comfort of a huge red vibrating penis sofa to escape to – which I must admit was rather arousing.

I clearly wasn't the only one feeling frisky. I noticed that a few of the party goers had become more than a little amorous in the hallways of the house. I watched intensely as a rather attractive woman in a figure hugging dress allowed her male companion to tongue her pussy until her orgasmic groans began reverberating around the building.

My fellow tutu-wearer had also managed to pull. I witnessed her straddling a beautiful man who I was told later drove Ferraris for a living. After seeing the way that he drove his hard cock into her wanton slit, I was sure he'd be good at his job.

But there's only so much sex a woman can watch before she's forced to take matters into her own hands – I decided to move to the pole dancing zone. I've seen many lap dancers in my time but none so beautiful and sinewy as Franka of Jems Academy – the same academy that taught Kate Moss her strip routines. An experienced gymnast of the pole, dressed in nothing but silver hot pants and glittering star nipple covers, Franka was working the audience into quite a frenzy as I approached.

I must confess that, hot as she was, I love a bit of exhibitionism and so, as the film and camera crew hovered into view, I, and another eager party goer leapt onto the pole to perform our own routines which were gratifyingly met with raucous applause.

All in all the night was fantastic despite no sign of Santa. Nonetheless, we left knowing that we'd definitely return for more fun and frolics with the Aphrodisiacs regulars. One of my friends whispered that she would be getting into contact with not one but two of the party goers – a handsome 20-something male and a scorching hot female who she had decided she would be seeing for some lady love in the near future.

But before I could indulge in any Sapphic action, I was dragged in front of the director, along with a friend who'd followed me upstairs. Our damning 'progress report' resulted in a good ruler-rapping for the pair of us. I tried to hide the juices coming out of my pussy but a tutu isn't the most easiest of items to conceal such an occurrence.

Being somewhat of a dominant woman I also got to do a bit of spanking which the boss was more than happy with.

"You're very good at that!" he

My other friends had a good time and as for me – well, I don't kiss and tell but I will admit to leaving the party with a few new numbers in my phone. It's up to you to work out exactly how I got them...

PARLOUR GAMES!

George McCoy chose Leeds to kick off his parlour reviews back in issue 1 of Swing in 2005. He returns to find big changes – not least in his undertrollies...

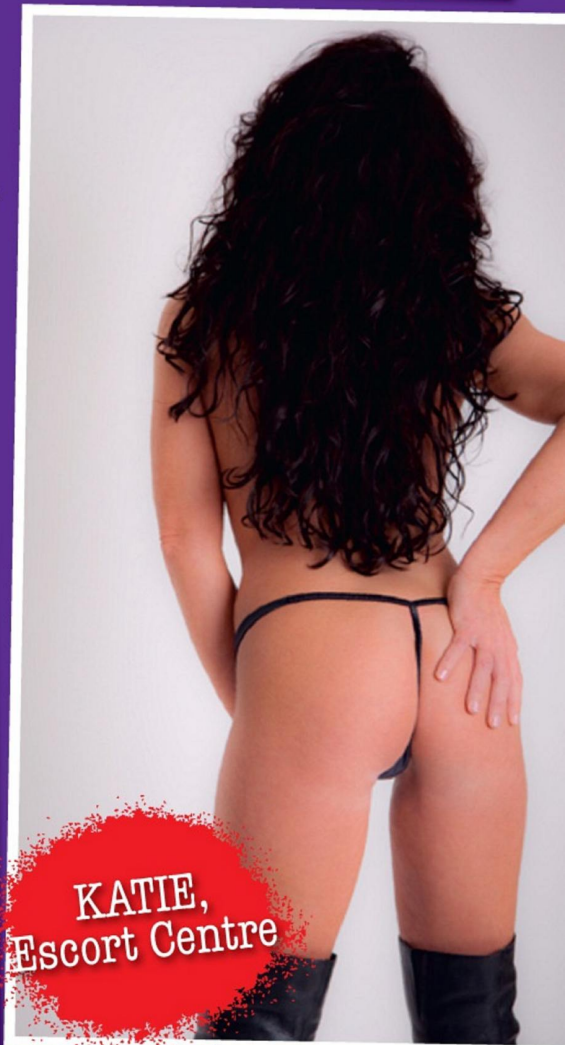

When I started writing these articles for Swing, the first area I covered was the city of Leeds and I felt it was high time I visited it again. Of course over the years I have visited it on numerous occasions and it is a city where the scene has changed quite markedly over the years. Back in 2005, I listed twelve agencies – now just a handful remain. Curiously, they tend to be just one-lady-at-a-time establishments, with one very notable exception.

Winston's is a parlour that is unlike any other parlour in Britain. Firstly, it

occupies a former cinema and, after paying to enter this establishment, one descends into a large area where there seem to be almost countless ladies to choose from, the vast majority of them being exotic foreign beauties. They all look delightful, and this establishment now boasts some real performers. Check out Daniella, a dynamic busty petite brunette, Olivia, a busty blonde or sophisticated Sabrina, their classy slim and leggy brunette, who just hypnotises you as she walks by.

Another establishment well worth checking out is **Spartan Spa**, near

the city's famous St. James Hospital. Occupying the premises of a former gay sauna, with all the magnificent facilities that entails, Spartan Spa was originally known as Girl Talk and has only been open since September 2009. Taking bookings for private parties, they even have plans for a dungeon and their jacuzzi is not just any jacuzzi – it has room for thirty people! Unusually, the two ladies who work here operate in completely separate parts of the same building!

The last parlour where one has any choice is in the south of the city in Morley. **Elle's Angels** has had various names in its time and a variety of proprietors. I was greeted there recently by their new supremo Candice, who also entertains herself. Opening first in late 2004 as Jo Jo's, it changed hands and name in 2009. She is personally

well worth checking out and it keeps pretty busy. The parlour has also had a comprehensive refurbishment. If you were not impressed on visiting this place previously, have no fear – it is a different place now and the girls are gorgeous.

When it comes to escort agencies, this city boasts a healthy variety and in particular three new ones of note have emerged in recent years. **Bunnies of**

Leeds only sprang into life in late June 2011, and has already made quite a mark on the local scene with a very varied bunch of ladies,

feedback yet, the Leeds lasses have and amongst these beauties, one that stands out is a gorgeous very tall, slim, exotic brunette, Russian minx by the name of **Avrora**.

The city also still boasts a healthy corrective scene, their most notable dominatrix being **Mistress Davina**, who oversees slaves at a magnificent dungeon that has obviously had a fair bit of money spent on it out near Leeds-Bradford airport. She has over ten years of experience of the scene and she also boasts a superb website.

"Try stunning, energetic brunette Caprice"

some of whom can team up together. They even boast one erotic dominatrix, the intriguing **Mistress Whiplash**. Check out **Annalise**, a leggy stunning blonde who pulls out all the stops.

Of roughly the same vintage is **Escort Centre** which has rapidly made its mark as an agency well worth checking out.

And amongst its ladies are plenty of interesting exotic ladies such as their Indian beauty **Nazia**, or if you feel like a particularly energetic session, why not try out their stunning busty brunette **Caprice**.

The latest agency to spring up in the city is the unusually named **Crimson Folly**, which curiously also has a number of ladies available in Bournemouth and which is thinking of extending its reach to other parts of Dorset, notably **Weymouth**. It is a distinctly classy agency, and while the Bournemouth girls have not had much

reviewed. A down-to-earth lass, she shares a website with Jasmine at www.forbiddenkiss.co.uk.

One of her other friends is **Lindy**, a lady who started her escorting career based in Wakefield. Very keen to please, **Lindy**, formerly known as **Kristina**, puts her all into her service, giving each customer an experience to remember. Her body is simply divine and her oral skills exquisite. Only entertaining since early 2010, this is undoubtedly one of the most exciting ladies to emerge on the scene in Yorkshire in recent years.

A lady who entertains with both **Abbie** and **Lindy** is **Angel Hollie**, an ex-agency lady, who was at one time also available in Hartlepool. Well-educated and a budding entrepreneur on the side (she is into making hats!), she is pretty versatile and keen to please, ruling

Indeed with guest mistresses and extra slaves available to take part in sessions, **Mistress Davina** comes up with everything the committed slave could ask for. Her particular speciality is extended sessions and activities she particularly enjoys range from corporal punishment through humiliation and cross dressing to anal training and watersports. Indeed she has such devoted slaves that one had at one time put together an excellent second website highlighting her superb premises, though now the address simply goes to **Mistress Davina's** principal site.

However, it is when it comes to individual working ladies that this city really excels. One lady who used to entertain from a house in Moortown on the city's northern periphery was **Alexis Silver** the noted adult actress, though she has gone a bit quiet of late. Meanwhile

knows what is expected of her, is reasonably versatile and all her customers only wish their time with her could go slower. A winning combination of a class act and a sublimely enjoyable experience.

Another more mature lady well worth seeing is **Sophie**, who is very conveniently located

in getting down to the nitty-gritty when it becomes appropriate.

The last individual working lady worth seeing in the Leeds area is unusual in so far as she is often not in the Leeds area, but is here there and everywhere going on tour regularly to Ireland, the Channel Islands and the Isle of Man. **Chloe** boasts both a delightful body and the ability to use it imaginatively. Happiest attending to men, she will cheerfully take on two simultaneously as well as mixed couples and only rules out more extreme services.

superb. At the other end of the size spectrum is **Grace**, a lady who used to entertain from a terraced house in Armley and who has worked at a fair few parlours in her time. Originally a brunette and entertaining continually since at least 2006, Grace was formerly known as Katie and as versatile as they come. Consistently favourably reviewed, she is just as happy seeing men, women or couples of all kinds and knows how to use every part of her body to maximum effect.

Another lady well worth seeing is **Jessica**, a very good looking blonde with a winning smile, who entertains from a luxury apartment or various top hotels in the city centre. Keen to please, she
